# Intimate hygiene gel with yogurt and rose oil "Rose&Joghurt" Bulgarian Rose Karlovo 200 ml | Biorosa

It is a delicate product specially designed for the daily care of intimate areas. Its unique formula combines natural ingredients to gently cleanse, moisturize and protect, maintaining the skin's natural balance.

## **Advantages:**

- 1. Gentle cleansing:** gently removes impurities without disturbing the natural balance of the microflora of intimate areas.
- 2. Hydration and protection:** The active ingredients provide long-lasting hydration, preventing dryness and discomfort.
- 3. Soothing:** Relieves irritation and redness, especially after depilatory or shaving procedures.
- 4. Supports natural pH:** Helps maintain an optimal pH balance, which is important for the health of the intimate area.

Active ingredients: natural rose oil, natural rose water, yogurt (probiotic), olive oil, aloe extract, milk proteins, lactic acid.

*How to use: Apply a small amount of gel to damp skin of intimate areas. Lather and spread the product with light movements. Rinse thoroughly with warm water. Suitable for everyday use.*

## Nourishing body milk with lifting effect and Q10 Regina Roses BioFresh 230 ml | Biorosa

This product is designed for intensive care of the skin of the body, providing it with deep hydration, nourishment and firming.

### **Advantages:**

1. **Rose Oil:** Rich in vitamins and antioxidants, it moisturizes, softens and soothes the skin, giving it a natural glow.
2. **Deep Hydration:** This product provides deep hydration to prevent dryness and flaking of the skin.
3. **Lifting effect:** Regular use helps to increase the firmness and elasticity of the skin, making it more toned.
4. **Anti-aging protection:** Thanks to coenzyme Q10, milk helps to reduce the appearance of wrinkles and prevent premature aging of the skin.
5. **Protection against stretch marks:** The natural oils in the product strengthen the skin, reducing the risk of stretch marks, especially during pregnancy or weight changes.

Contains: 100% pure Bulgarian rose oil, Coenzyme Q10, natural vegetable oils.

How to use: For best results, it is recommended to apply the milk with light massaging movements on the body.

# Ultimate Repair Rose Original Bulgarian Rose Karlovo Hair Mask 240ml | Biorosa

It is an intensive product specially formulated for the care of dry and damaged hair. The mask deeply moisturizes, restores the structure of the hair and prevents breakage.

## Advantages:

- 1. Deep moisturizing and nourishing:** The mask intensively moisturizes the hair, preventing it from drying out and breakage.
- 2. Restoration of structure:** active ingredients contribute to the regeneration of damaged hair, making it stronger and more elastic.
- 3. Protection from external factors:** the mask creates a protective layer that protects the hair from the negative effects of the environment.

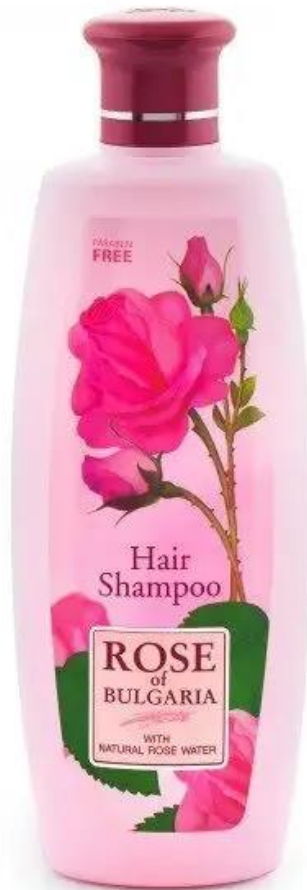

## Main components and their properties:

- 1. Natural Rose Oil:** Moisturizes and nourishes hair for a natural shine.
- 2. Natural rose water:** has antiseptic properties, refreshes and tones the scalp.
- 3. Jojoba oil and macadamia oil:** provide deep nourishment, restore damaged hair structure and increase its elasticity.
- 4. Apple Extract:** Rich in vitamins, helps to strengthen hair and stimulates hair growth.
- 5. Hydrolyzed silk and a complex of vegetable proteins (soy, oats, almonds and wheat):** restore and strengthen hair, make it smoother and more manageable.

**How to use:** After shampooing, apply the mask to the entire length of clean, damp hair. Leave to act for 1-3 minutes. Rinse thoroughly with warm water. Use the mask 1-2 times a week for optimal results.

The "Ultimate Repair Rose Original" hair restorative mask from Bulgarian Rose Karlovo is an effective tool for deep hair restoration and nourishment. Regular use of the mask restores a healthy look, shine and elasticity to the hair.
